## 3. Legal Entity Beneficial Ownership (Required for Business Entities and IRC Section 501(c)(3) Organizations)

#### **Legal Entity Beneficial Ownership Certification**

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. In some cases, federal law also requires the Plan to verify and record information that identifies the natural persons who control and beneficially own a legal entity that opens an account.

This section MUST be completed by the person opening a new account on behalf of a legal entity. For the purpose of this section, a legal entity includes a corporation, a limited liability company, a general partnership, statutory trust, a non-profit and any similar business entity formed in the United States.

When you open an account, we will ask for names, addresses, dates of birth, and other information that will allow the Plan to identify you and other natural persons associated with the account. This information will be verified to ensure the identity of all such natural persons.

For any non-US citizens being named as a beneficial owner in **Section 3A** or as a Control Person in **Section 3B**, you must provide a nonexpired government issued document such as a passport showing a number and photograph.

This section requires you to provide the name, address, date of birth, and Social Security number for the following individuals:

- Each individual, if any, who owns, directly or indirectly, 25% or more of the equity interest of the legal entity customer (e.g. each natural person that owns 25% or more of the shares of a corporation); AND
- An individual with significant responsibility for managing and/or directing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, Vice President, or Treasurer).

### A. Beneficial Owner(s)

Check this box if there are no Beneficial Owners of this entity of 25% or gre	eater. Non-profit organizations do not have to complete this
sub-section. Please skip to <b>Section 3B</b> .	
If no single individual owns 25% or more of this entity, do not complete the or when an individual ever owns 25% or more of the entity.	e beneficial owner sections below. You must notify the Plan if
